DEFENDANTS' UNOPPOSED MOTION TO EXCEED PAGE LIMIT

NOW COMES Defendants in the above-captioned litigation requesting entry of an order permitting them to exceed the page limit for their reply brief in support of their motion to dismiss. In support thereof, Defendants state as follows:

1. On June 6, 2014, this Court entered a minute order granting Defendants' 5/30/14 Motion to Exceed Page Limit. *See* ECF No. 61. The order granted Defendants leave to file reply briefs not in excess of 30 pages, combined, excluding the cover page, table of contents, table of authorities, and signature block.
2. On August 15, along with their brief in opposition to Defendants' Motion to Dismiss, Plaintiffs filed amended complaints for the actions subject to the motion to dismiss. In light of these amended complaints, Defendants need more than 30 pages combined to address all the issues challenged in Plaintiffs' briefing. The additional pages will facilitate a complete and comprehensive review of the disputed issues.
3. Defendants propose a combined 40 pages total for their replies in support of their motions to dismiss.
4. On September 12, 2014, counsel for Defendants conferred with counsel for Plaintiffs, who said they did not oppose the motion.

WHEREFORE, for the foregoing reasons, Defendants respectfully request this Court enter an Order granting Defendants leave to file two replies in support of their motions to dismiss that shall not exceed a total of 40 pages for both briefs, excluding the cover page, table of contents, table of authorities, and signature block.
